

# Wall Mount Exhaust Fan with Louvered Grille

This wall-mounted exhaust fan is designed for efficient ventilation in bathrooms, kitchens, and other enclosed spaces. Featuring a durable white plastic construction, the fan includes a louvered grille to prevent backdraft and keep out insects when the fan is not in operation.

## Product Overview

### Efficient Air Ventilation Solution

This wall-mounted exhaust fan is engineered to provide reliable air extraction and moisture control in various environments. Featuring a louvered grille, the unit effectively prevents backdrafts and keeps pests out when inactive. Its durable white plastic construction and optimized blade design ensure long-lasting performance with quiet operation, making it ideal for residential and commercial applications.

## Technical Specifications

Construction Material	Durable white plastic
Grille Design	Louvered
Suitable Environments	Residential, Commercial, Bathroom, Kitchen

## Key Features

### Main Benefits

- Integrated louvered grille to prevent backdraft
- Insect-resistant design
- Optimized fan blades for quiet operation
- Easy wall-mount installation
