

Wall Mount Paper Towel Dispenser

This wall-mounted paper towel dispenser is constructed from durable stainless steel. It features a sleek, modern design with a brushed finish and dispenses standard multi-fold or C-fold paper towels.

Product Overview

Professional Hand-Drying Solution

This wall-mounted paper towel dispenser is engineered from high-quality stainless steel with a sleek brushed finish, making it ideal for both commercial and high-traffic residential restrooms. Designed for versatility and security, it supports standard multi-fold or C-fold paper towels and includes a lockable mechanism to prevent theft or tampering. Its robust construction ensures long-term durability and hygienic operation, providing a clean and efficient hand-drying experience.
