

Wall Mountable Coiled Cord Hair Dryer

This wall-mounted hair dryer is designed for convenient storage and use. It features multiple heat and speed settings and a coiled cord that extends and retracts.

Product Overview

Professional Wall-Mounted Drying Solution

This wall-mountable hair dryer is designed for convenience and durability in high-traffic environments like hotels, gyms, and residential bathrooms. It features a compact, space-saving design with a flexible coiled power cord that retracts neatly after use. With multiple heat and speed settings, it offers versatile performance for various hair drying needs.
