

Wall Mountable TV Antenna with UHF Loop

This basic antenna can be mounted on a wall. It features a transitional UHF metal loop that is hidden within its slim, geometrical design.

Product Overview

Versatile TV Reception Solution

This wall-mountable TV antenna features a transitional UHF metal loop design, offering a slim and fashionable geometrical aesthetic. Engineered for performance, it effectively receives Full HD and digital TV signals, as well as local UHF broadcasts. Its versatile design allows for both tabletop placement and wall mounting, ensuring optimal positioning for signal reception.

Key Features

Key Features
