

# Wall Mounted Combination Key Storage Lock Box

The wall-mounted combination key storage lock box provides a secure and convenient solution for storing keys. Constructed from durable materials, it withstands various weather conditions.

## ADDITIONAL IMAGES

## Product Overview

### Secure Key Management Solution

This wall-mounted combination key storage lock box offers a durable and reliable method for managing property access. Constructed from cast zinc, it provides a secure, weather-resistant housing for keys, eliminating the need for unsafe key hiding spots. With a 10-digit press combination lock, it allows for convenient, keyless entry for authorized personnel, homeowners, and property managers.
