

Wall-Mounted Exhaust Fan

This wall-mounted exhaust fan is designed for ventilation purposes. It features a square frame with horizontal grilles on the front to prevent large objects from entering.

Product Overview

High-Efficiency Ventilation Solution

This wall-mounted exhaust fan is engineered to provide reliable air extraction for residential and commercial spaces. Featuring a durable square frame design with integrated safety grilles, it effectively prevents debris from entering the unit while maintaining optimal airflow. It is an ideal choice for bathrooms, kitchens, and other areas where moisture and air quality management are essential.

Physical Characteristics
