

## Wall-Mounted Exhaust Fan

This wall-mounted fan is designed to extract stale air and moisture. It is suitable for bathrooms, kitchens, and other areas requiring ventilation.

### ADDITIONAL IMAGES

### Product Overview

#### Professional Ventilation Solution

This wall-mounted exhaust fan is engineered to provide efficient air circulation and moisture control in residential and commercial spaces. Featuring a durable plastic housing and a high-performance copper motor, it ensures reliable operation in bathrooms, kitchens, and other confined areas. The design includes an integrated backdraft damper and a protective grille, making it an ideal choice for maintaining optimal air quality.

### Technical Specifications
