

Wall-Mounted Exhaust Fan

This wall-mounted exhaust fan provides efficient ventilation for spaces needing air circulation. Its plastic construction ensures durability, while its quiet operation and backdraft damper enhance usability in bathrooms, kitchens, and more.

Product Overview

Efficient Ventilation Solution

This wall-mounted exhaust fan is engineered for effective air circulation in residential and commercial spaces like bathrooms and kitchens. Its durable plastic construction and aerodynamically designed blades ensure maximum airflow while maintaining quiet operation. Equipped with a built-in backdraft damper, it prevents unwanted outside air from entering when the unit is powered off, ensuring optimal climate control.

Key Features

Key Features

- Aerodynamic blade design for quiet operation
- Durable plastic construction
- Integrated backdraft damper
- Easy wall-mount installation

Applications

Suitable Environments

Bathroom, Kitchen, Residential, Commercial

Performance

Core Functions

Moisture Removal • Odor Extraction • Stale Air Removal
