

Wall-Mounted Exhaust Fan

This wall-mounted fan is designed for ventilation and exhaust purposes. It features a louvered front panel for airflow control and a cylindrical rear housing.

Product Overview

Professional Ventilation Solution

This wall-mounted exhaust fan is engineered for efficient air circulation in residential and utility environments. Featuring a durable plastic construction and a louvered front panel, it provides reliable ventilation for bathrooms, kitchens, and laundry rooms. Its compact, cylindrical design ensures easy installation while maintaining optimal airflow control.

Physical Characteristics

Material	Durable Plastic
Mounting Type	Wall-Mounted
Design Features	Louvered Front Panel, Cylindrical Housing

Applications

Recommended Use

- Bathroom ventilation
- Kitchen exhaust
- Utility room airflow
