

Wall-Mounted Exhaust Fan for Ventilation

This exhaust fan is designed for wall or window installation. It effectively removes stale air and odors from indoor spaces, promoting better air quality.

Product Overview

Efficient Ventilation Solution

This wall-mounted exhaust fan is designed to provide effective air circulation and ventilation for residential and commercial spaces. Featuring a durable white-framed square housing and a high-performance circular fan, it efficiently removes stale air, moisture, and unwanted odors. Ideal for kitchens, bathrooms, and other indoor areas, this unit offers a reliable solution for maintaining a fresh and comfortable environment.
