

Wall-Mounted Exhaust Fan for Ventilation

This wall-mounted exhaust fan is designed for ventilation purposes. It is suitable for removing stale air and odors from bathrooms, kitchens, and other enclosed spaces.

Product Overview

Efficient Ventilation Solution

This wall-mounted exhaust fan is engineered to provide reliable air circulation and ventilation for enclosed spaces. Constructed from durable plastic, the unit features a protective square frame with horizontal grille bars on both sides for enhanced safety. It is an ideal choice for removing stale air and odors effectively in bathrooms, kitchens, and similar environments.
