

Wall-Mounted Exhaust Fan with Louvered Grill

This wall-mounted exhaust fan is designed for ventilation in residential or commercial spaces. It features a square frame with horizontal louvers on the front grill to prevent backdraft.

Product Overview

Professional Ventilation Solution

This wall-mounted exhaust fan is engineered to provide efficient air circulation and ventilation for both residential and commercial environments. Featuring a durable square frame and integrated horizontal louvered grills, the unit effectively prevents backdraft while maintaining a sleek, unobtrusive profile. It is an ideal choice for removing stale air, moisture, and odors from bathrooms, kitchens, and other enclosed spaces.
