

Wall-Mounted Mop and Broom Holder

This wall-mounted organizer is designed for storing mops, brooms, and cleaning tools. It features spring-loaded clamps that securely grip handles.

Product Overview

Efficient Organization Solution

This wall-mounted organizer is specifically engineered to streamline storage for mops, brooms, and various cleaning implements. Utilizing spring-loaded clamps, it ensures a secure, non-slip grip on tool handles, preventing clutter in utility areas. Designed for durability and longevity, it is an ideal space-saving solution for garages, janitorial closets, and maintenance rooms.
