

Wall-Mounted Split Air Conditioner Unit

This wall-mounted split air conditioner provides both cooling and heating functionalities. It features adjustable temperature settings and multiple fan speeds for optimal climate control.

Overview

Professional Climate Control

This wall-mounted split air conditioner unit provides reliable cooling and heating capabilities for professional environments. Designed for efficiency and performance, the system ensures optimal climate control with multiple capacity options to suit various space requirements. The unit is engineered for quiet operation and easy integration into modern commercial spaces.

Performance Metrics

Cooling & Heating Capacity

Model Spec	Cooling (Btu/h)	Heating (Btu/h)
(H)12B3/E#R1	12000	12000
(H)18B2/Q#R1	18000	18000
(H)24B2/E#R1	24000	24000
