

Wall-Mounted Split Air Conditioner with Remote Control

This wall-mounted split air conditioner provides both cooling and heating functionality. It features remote control operation and an intelligent defrosting system.

Overview

High-Efficiency Wall-Mounted Climate Control

This wall-mounted split air conditioner combines luxury fashion design with reliable performance for residential and small commercial environments. Engineered with an intelligent defrosting system and a folding type evaporator, it ensures efficient climate control while maintaining a low-noise operation. It is a versatile solution suitable for various space requirements, offering both cooling and heating capabilities.

Technical Specifications

Available Capacities

- 9000 BTU
- 12000 BTU
- 18000 BTU

Model Number

KFR-35GW / E3

Key Features

Engineering Highlights

Folding Type Evaporator

Core Features

Remote Control, Intelligent Defrosting, Low Noise Design, Luxury Fashion Design

Production Capacity

Annual Production Capacity

200000 units

Units per Year
