

Wall-Mounted Ventilation Fan

This wall-mounted fan is designed for ventilation purposes. It efficiently removes stale air and odors from rooms when mounted on a wall or window.

Product Overview

Efficient Air Circulation

This wall-mounted ventilation fan is engineered to provide reliable air exchange for enclosed spaces, effectively removing stale air and unwanted odors. Featuring a durable plastic construction with a five-blade design, it ensures consistent airflow and performance. Its compact, square-framed architecture makes it an ideal solution for seamless installation in walls or windows, catering to various ventilation needs.

Technical Specifications

Mounting Style	Wall-mounted
Blade Configuration	5
Material	Plastic

Key Features

Installation Compatibility

- Wall installation
- Window installation

Core Benefits

Odor Removal, Stale Air Extraction, Compact Design, Easy Installation
