

Wall/Ceiling Mount Exhaust Fan with Backdraft Louvers

This exhaust fan is designed for wall or ceiling mounting. It features horizontal louvers on the front grill to prevent backdraft and enhance airflow.

Overview

High-Efficiency Ventilation Solution

This versatile exhaust fan is engineered for both wall and ceiling mounting, making it an ideal choice for bathrooms, kitchens, and utility areas. Designed with durable, high-quality plastic, it features integrated backdraft louvers that prevent unwanted air return while ensuring consistent airflow. The unit combines a high-efficiency motor with a quiet operation profile to effectively manage moisture and odors in professional or residential environments.
