

## Wall/Ceiling Mount Exhaust Fan

This square exhaust fan is designed for ventilation purposes. It features a plastic housing with a front grill for safety and airflow management.

### Product Overview

#### Efficient Ventilation Solution

This square-shaped exhaust fan is engineered for effective air circulation in residential and commercial environments. Designed for versatile installation, it can be seamlessly mounted on either walls or ceilings. Its durable white plastic housing and integrated front grill ensure both safety and efficient airflow management, making it an ideal choice for bathrooms, kitchens, and other spaces requiring moisture and odor removal.
