

Wardrobe Support Finial

This wardrobe fitting features a polished chrome finish. It is designed with a cylindrical base, a vertical support column, and a horizontally extending decorative finial.

Product Overview

Professional Wardrobe Support Finial

This wardrobe support finial provides a sophisticated finish for interior cabinetry and closet systems. Designed for durability and visual appeal, it features a polished chrome construction with a tiered design and a distinctive pointed tip. This component is engineered to serve as a functional support and decorative element, making it an ideal choice for high-end residential or commercial wardrobe installations.
