

Water Heater

This water heater efficiently provides hot water for residential use. It is designed for easy installation and reliable performance.

Product Overview

Reliable Fuel Dispensing Solution

This standalone fuel dispenser is engineered for high-performance use in outdoor commercial environments. Featuring a robust design with a high-visibility red and black color scheme, it is built to withstand the demands of busy fueling stations. The integrated display panel provides clear, real-time feedback on fuel volume and pricing to ensure efficient operation for both operators and end-users.

Design and Build

Compatible Fuel	Diesel
Installation	Standalone, outdoor
