

# Waterproof 4-Gang Rocker Switch Panel with Blue LED

This waterproof 4-gang switch panel is designed for marine boat applications and operates on DC 12-24V. It features blue LED rocker switches for easy visibility and indication.

## ADDITIONAL IMAGES

## Overview

### Professional Marine 4-Gang Switch Panel

This waterproof 4-gang rocker switch panel is engineered for demanding marine and automotive environments, featuring a durable gold-finished aluminum alloy faceplate. Equipped with blue LED indicators for clear status visibility, it supports both 12V and 24V DC systems, making it ideal for boats, RVs, and yachts. The IP65-rated design includes waterproof caps and rubber gaskets to ensure reliable operation against splashes and moisture.

## Technical Specifications

Each switch is rated for 20A at 12V and 10A at 24V, suitable for high-load marine applications.

### Rated Current

**20 A**

at 12V

**10 A**

at 24V

### Operating Voltage

12V DC, 24V DC

### Operating Temperature

-25°C to +85°C

## Design & Construction

The premium gold-finished aluminum alloy panel offers both aesthetic appeal and corrosion resistance.

### Construction Materials

- Aluminum Alloy Panel
- ABS Plastic Switches
- Metal Components

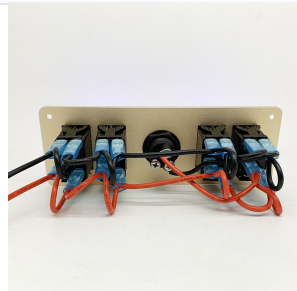

### Panel Finish

Gold

### Panel Dimensions

18.7cm (L) x 6.7cm (W)

## Protection & Durability

Integrated rubber gaskets and waterproof caps provide IP65 protection against water ingress.

### Protection Features

- Splash-proof panel face
- Waterproof switch caps
- Impermeable rubber sealing ring

### Waterproof Rating

IP65

## Functionality

The 4-gang panel provides centralized control for onboard electronics with clear blue LED status indicators.

Versatile switch configurations including engine start and horn buttons for full vessel control.

Switch Configuration	4-Gang Rocker Switches + Horn Button
Switch Pins	5
LED Indicator Color	Blue

## Applications

Recommended Applications	Marine Boats, RVs, Trucks, Yachts, Cruise Ships
--------------------------	---

## Warranty

Warranty Duration	12 Months
-------------------	-----------
