

Weather Protected Electrical Isolation Switch

This weather-protected isolation switch is designed for industrial applications. It features a robust enclosure suitable for outdoor use and ensures safe operation of machinery and textile equipment.

Product Overview

Industrial-Grade Isolation Solution

This weather-protected electrical isolation switch is engineered for high-performance industrial applications. Its robust enclosure provides superior protection in harsh outdoor environments, ensuring safe operation and reliable maintenance. Designed for versatility, it is an ideal choice for heavy-duty machinery and textile equipment.

Technical Specifications

Rated Current

6.3 A

Rated Current

Operational Features

Weather Protected, Industrial Grade, Outdoor Ready, ON/OFF Lever

Applications

Suitable Applications

- Industrial Machinery
- Textile Equipment
- Harsh Outdoor Environments

Safety

Safety Standards

Isolation Capable • Weather Resistant
