

White Electric Kettle and Two-Slice Toaster Set

This matching set includes an electric kettle and a two-slice toaster. The kettle features a water level indicator, while the toaster has adjustable browning settings.

Product Overview

Elegant Breakfast Set

This matching white electric kettle and two-slice toaster set combines modern functionality with a clean aesthetic. Featuring silver accents, these appliances are designed to complement contemporary kitchen interiors while providing reliable daily performance. The set offers essential convenience features like adjustable browning for toast and a concealed heating element for efficient water boiling.
