

White Marble Patterned Glass Lamp Shade

This is a replacement glass shade for a lamp, featuring a conical shape and a white marble pattern with swirling grey and black accents. The shade has a smooth, glossy finish and a cylindrical opening at the top for fitting onto a lamp base.

Product Overview

Elegant Ambient Lighting

This replacement glass lamp shade features a sophisticated white marble pattern with delicate swirling grey and black accents. Designed with a conical shape and a smooth, glossy finish, it is crafted to diffuse light evenly for a warm, ambient glow. The cylindrical top opening ensures easy compatibility with standard lamp bases, making it an ideal choice for refreshing the aesthetic of your lighting fixtures.
