

White Plastic Exhaust Fan with Vertical Grilles

This electrical fan is designed for exhaust purposes. It features a white plastic frame with vertical grilles on the front.

Product Overview

High-Efficiency Ventilation Solution

This white plastic exhaust fan is engineered for effective household ventilation and air extraction. Featuring a durable square frame and vertical grille design, it ensures optimal airflow while maintaining a sleek, modern aesthetic. The unit is designed for reliability and ease of installation, making it an ideal choice for residential air quality management.

Design & Build

Color	White
Material	Plastic
Grille Style	Vertical
Shape	Square

Application

Primary Use	Household Ventilation, Air Extraction
