

Wide Brim Felt Hat with Feather Plume

Felt hat with a wide brim, decorated with a silver band and buckle. It features a plume of black and blue feathers and is suitable for costume parties or theatrical productions.

Product Overview

Elegant Wide Brim Felt Hat

This sophisticated wide brim felt hat is designed for versatility and style, featuring a distinct silver trim and buckle detail. Adorned with a striking plume of black and blue feathers, it serves as a high-quality accessory for historical reenactments, theatrical productions, and premium costume events. The durable felt construction ensures it maintains its shape while providing a comfortable fit for extended wear.
