CA181-327(27' STRAP)
CA181-330(30' STRAP)

Product Overview

Heavy-Duty Winch Strap for Industrial Load Securement

This winch strap is engineered for reliable performance in demanding transportation and industrial environments. Available in both 27-foot and 30-foot lengths, it provides a robust solution for securing heavy loads with ease. Its high-strength construction ensures safety and durability during transit, making it an essential tool for professional logistics operations.

Performance Metrics

Load Capacities

4333 LBS

Working Load Limit (W.L.L.)

13000 LBS

Breaking Strength (B/S)

Metric Load Capacities

1969 KGS

Working Load Limit (W.L.L.)

5909 KGS

Breaking Strength (B/S)

Technical Specifications

Available Lengths

- 27 Foot (CA181-327)
- 30 Foot (CA181-330)

Strap Width

3 inches
