

Wire Stripping Pliers

These pliers are designed for stripping wires of various gauges. They feature a spring-loaded mechanism and ergonomic handles.

Product Overview

Precision Wire Stripping Solution

This professional-grade wire stripper is engineered for accuracy and ease of use in electrical tasks. It features a spring-loaded mechanism for smooth operation and ergonomic handles to ensure a comfortable grip during repetitive stripping work. The integrated multi-gauge settings allow for precise handling of a wide range of wire diameters.

Technical Specifications

Supported Metric Gauges

- 0.8 mm
- 1.0 mm
- 1.3 mm
- 1.6 mm
- 2.0 mm
- 2.6 mm
- 3.2 mm

Supported AWG Gauges

- 10 AWG
- 12 AWG
- 14 AWG
- 16 AWG
- 18 AWG
- 20 AWG
- 22 AWG

Key Features

Product Highlights	Spring-loaded, Ergonomic Handles, Multi-gauge, Precision Stripping
Model Identifier	5223
