

Wired Ear-Hook Sport Earbuds

These wired earbuds feature an ear-hook design for secure placement during physical activity. They provide reliable audio connectivity without the need for charging.

Product Overview

Built for Active Lifestyles

These wired ear-hook sport earbuds are engineered for secure comfort during rigorous physical activities. The ergonomic ear-hook design ensures they remain in place while providing reliable, high-fidelity audio performance. With their lightweight build and classic 3.5mm jack, they offer a consistent connection that never requires charging.
