

Wireless Bluetooth Headset

This is a wireless Bluetooth headset. It is designed for specialized applications.

Product Overview

Comfort and Protection

This car seat cover features a breathable, knitted design with a charming cartoon character graphic. It is engineered to fit standard car seats, providing both enhanced comfort and reliable protection for your vehicle's interior. The set includes both a headrest cover and a seat cushion cover, crafted from durable, easy-to-clean materials for long-lasting use.
