

Wireless LED Puck Lights

These LED puck lights are wireless and battery operated for easy installation. They can be controlled with a remote and are dimmable, making them suitable as night lights.

Product Overview

Wireless LED Puck Light Solution

These wireless LED puck lights offer a versatile and efficient lighting solution for cabinets, closets, and pantries. Featuring COB LED technology, they provide bright illumination while remaining energy-efficient at 1.0W per unit. Designed for convenience, the system includes remote control functionality and a simple stick-on installation method, making it ideal for various home applications.

Technical Specifications

Model Number	RM-050
Power Consumption	1 W
Brightness	60 LM
Color Temperature	3000K-6500K
LED Chip Type	1 pcs COB

Power & Operation

Control Method	Remote Control
Operating Voltage	DC 1.5V
Battery Requirement	3x AAA

Physical Dimensions

Lamp Size	Ø8.0 x 2.2 cm
-----------	---------------

Logistics & Packaging

Weight Details

4.5 kg

Net Weight

5.5 kg

Gross Weight

Packaging Type	Double Blister Packing
Quantity per Pack	20
Master Carton Dimensions	27.0 x 44.0 x 28.0 cm
