

Women's Butterfly Patterned Slide Slipper

These women's slide slippers feature a butterfly pattern. They have a textured surface and a decorative flower-like piece at the center where the straps meet.

Product Overview

Elegant Comfort for Daily Use

These women's slide slippers feature a charming butterfly-patterned design, perfect for adding a touch of style to indoor relaxation. The comfortable pink straps provide a secure fit, while the textured surface offers enhanced grip. Finished with a delicate decorative flower-like accent at the center, these slippers combine functionality with a fashionable aesthetic for casual wear.
