

Wood Frame Interior Sliding Doors with Decorative Glass

These interior sliding doors feature rich wood frames and decorative glass panels. The glass panels showcase a unique vase design with abstract floral elements.

Product Overview

Sophisticated Interior Sliding Doors

These interior sliding doors combine the warmth of high-quality wood frames with the artistic flair of decorative glass panels. Designed to enhance any living space, they provide a sophisticated balance between functionality and aesthetic appeal. The unique floral glass design creates an inviting atmosphere while maintaining an open and airy feel throughout your interior.
