

# Wood Hand Saw with High Carbon Steel Blade

This hand saw is designed for cutting wood. It features a high carbon steel blade and an ergonomic handle for a comfortable grip.

## Product Overview

### Professional Grade Wood Hand Saw

This high-performance hand saw is engineered for precision woodworking and general carpentry applications. Featuring a durable high carbon steel blade, it provides reliable cutting efficiency and longevity for daily tasks. The ergonomic handle design ensures user comfort, reduces fatigue during extended use, and allows for superior control over the cut.

## Technical Specifications

Blade Material	High Carbon Steel
Model Identifier	DT1814

## Features

Key Features	Ergonomic Handle, Woodworking Optimized, Precision Cut
