

Wooden Bath Brush Set with Natural Bristles

This set includes bath brushes with wooden handles and natural bristles. Brush shapes include round, oval and rectangular options for exfoliation and cleansing.

Product Overview

Premium Wooden Bath Brush Set

This versatile bath brush set is designed for effective exfoliation and deep cleansing during bathing routines. Crafted with high-quality wooden handles and natural bristles, the collection includes various shapes and sizes to accommodate different body areas. From short-handled options for precision to long-handled brushes for hard-to-reach spots like the back, this set offers a comprehensive solution for personal care.
