

Woodworking Band Saw

This woodworking band saw is designed for precision cutting of various materials. It features a robust construction with a sturdy frame and a powerful motor for efficient operation.

Overview

Professional Woodworking Performance

The MJ14 Band Saw is a robust woodworking machine engineered for precision and reliability. Designed with a powerful 1100W motor and a versatile 2-speed system, it handles diverse cutting tasks with ease. Its large, adjustable worktable and generous throat capacity provide the stability and clearance needed for complex projects.

Technical Specifications

Motor Power

1100 W

Motor Power

1.5 HP

Horsepower

Cutting Capacity

- Throat: 340mm
- Cutting Depth: 225mm

Speed Settings

2 levels

Blade Speed

370-800 m/min

Blade Size

2560 x 6-25mm

Table & Construction

Working Table Size

545 x 400mm

Table Tilt Angle

0-45°
