

Woodworking Drill Bit Set, 35 Pieces

This 35-piece woodworking drill bit set is suitable for a variety of drilling applications in wood. It includes spade bits, twist drill bits, brad point bits, and hole saws for different sized holes.

Product Overview

Comprehensive Woodworking Drill Set

This 35-piece woodworking drill bit set provides a versatile collection of tools designed for efficient drilling and groove creation in soft wood. Constructed from durable C45 carbon steel, these bits are engineered to deliver fast and precise results for professional woodworkers. The set comes organized in a convenient plastic storage box, ensuring all components remain protected and portable.
