

Yellow Cylindrical Pendant Light

This pendant light features a cylindrical shade in a vibrant yellow color. The modern, minimalist design is suspended by a thin white cable, allowing the light to diffuse evenly.

Product Overview

Modern Cylindrical Design

The Yellow Cylindrical Pendant Light is a minimalist lighting fixture designed to bring a vibrant touch to modern interior spaces. Featuring an elongated cylindrical shade in a striking yellow hue, it provides a clean aesthetic while ensuring even light diffusion. Its simple suspension system makes it a versatile choice for professional and commercial environments seeking contemporary style.
