

Yellow Folding Bicycle with 20-inch Wheels

This yellow folding bicycle features a unique frame design with a central hinge for compact storage. It has 20-inch wheels, front and rear fenders, and a sprung saddle.

Product Overview

Compact Mobility Solution

This yellow folding bicycle is designed for efficient urban commuting and easy storage. Featuring a robust frame with a central hinge, it collapses quickly to fit into small spaces, making it ideal for multi-modal transport. Equipped with 20-inch wheels and practical accessories like fenders and a sprung saddle, it balances portability with rider comfort.
