Product Overview

Professional Grade Safety Protection

This yellow safety helmet is engineered for rigorous construction and industrial environments, offering essential head protection against shock and punctures. Built with a durable HDPE/ABS shell, it ensures a balance of lightweight comfort and high-impact resistance. Designed for versatility, the helmet features an 8-point suspension system and adjustable fit options to ensure security and comfort for all-day wear.

Standards & Compliance

Certifications

CE, EN397

Technical Specifications

Material Options

- HDPE: Lightweight with good strength and toughness
- ABS: High strength, high rigidity, and high brightness

Protective Capabilities

Anti-puncture • Anti-shock • Insulated

Suspension & Straps

- 8-point head suspension with belt
- 4-point chin strap

Adjustment Manner

- Pin lock
- Ratchet
- Auto-locking

Term of Use

One year

Weight Metrics

Weight by Adjustment Type

383 g

Pin Adjustment

421 g

Ratchet Adjustment

396 g

Auto-locking Adjustment

Logistics & Packing

Packaging Specifications

Type	Assembly	Qty/Ctn	Weight (kg)
Pin (A)	Assembled	24	10/8
Pin (A)	Separated	30	12/10
Ratchet (B)	Assembled	20	10/8
Ratchet (B)	Separated	28	11/10
Auto-lock (C)	Assembled	20	10/8
Auto-lock (C)	Separated	28	11/10
