

Zinc Alloy Retractable Utility Knife

This heavy-duty utility knife is made with a durable zinc alloy body. It features a retractable blade and ergonomic handle for comfortable and safe use.

Product Overview

Heavy-Duty Zinc Alloy Cutter

This retractable utility knife is engineered with a robust zinc alloy body, providing exceptional strength and durability for demanding cutting tasks. It features an ergonomic design that ensures a comfortable, secure grip, significantly reducing hand fatigue during extended use. The retractable blade mechanism enhances safety during storage and transport, making it a reliable and versatile tool for cutting cardboard, paper, plastic, and various other materials.

Technical Details

Material Construction	Zinc Alloy
Blade Mechanism	Retractable
Ideal Applications	Cardboard, Paper, Plastic, General Utility
