

ZT350-R 348cc Sportbike Motorcycle

The ZT350-R is a 348cc sportbike motorcycle with a liquid-cooled, single-cylinder engine and advanced EFI. It features keyless control, a TFT color display, and a lightweight frame for enhanced agility.

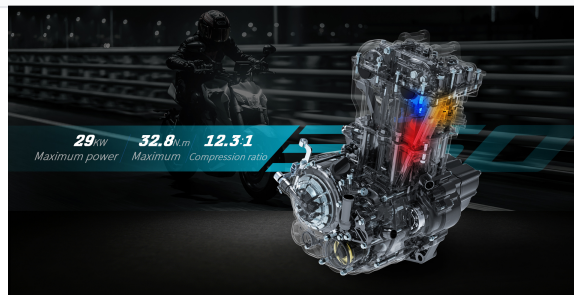

Overview

High-Performance 348cc Sportbike

This 348cc sportbike is engineered for riders who demand a balance of agility, power, and modern aesthetics. Featuring a liquid-cooled single-cylinder engine and an advanced Bosch fuel injection system, it delivers responsive performance in urban and recreational riding scenarios. With a lightweight frame, dual-channel ABS, and a comprehensive digital dashboard, this motorcycle prioritizes rider control, safety, and advanced technology.
